HOW DO I LOG IN?

The first time that you log in to the Client Portal, click the link found in the welcome email you received from your clinician. Clicking the link will open a new tab in your browser where you'll automatically get logged in.

Hi Emily,

Before we meet, I would like you to review my practice documents and provide some information about yourself. This will help us get started. Please follow instructions to log in and let me know in case you need assistance.

Thank you!

MANAGING MULTIPLE PROFILES

If you're seeing your provider individually and for couple appointments, or if you have minor client(s) that you're responsible for, you may have multiple client portal profiles. If that's the case, you'll see multiple icons upon signing in to the client portal. Simply select the profile that you want to manage.

TROUBLESHOOTING SIGN-IN ISSUES

- Make sure that you're entering the correct email address and double-check the spelling. Click request a new link if you want to re-enter your email address.
- Check the spam/junk folder and any other folders in your inbox for an email from noreply@simplepractice.com. Add this address as a contact to make sure you get these emails in the future.
- 3. Call your provider's office and request a pin code to sign in. Your provider can give you a 6-digit pin code that you can use along with your email address to sign in. Call the number that you see on the page, request the pin code, and make sure to confirm your account email address while you're on the call. Once you have the pin code ready, click **Sign in via Pin** code, enter the code, and click **Sign In.**

ONLINE BOOKING

Online Booking lets you **request**, **cancel**, or **reschedule appointments** with your clinician. After submitting your request, you'll get a **confirmation email** once your clinician approves the appointment. If they are not able to see you at that time, they will send you a different email, which will let you request another time.

To request appointments through the Client Portal:

- Go to your clinician's Client
 Portal and click I'm an Existing
 Client to log in. The I'm a New
 Client button is only for clients
 who have never logged into
 the Client Portal before.
- 2. Navigate to the appointments tab. This may already be selected by default after you log in.

DOCUMENTS AND FORMS

The first time you log into the Client Portal, you'll see a welcome message from your clinician. After you click **Get Started**, you'll begin completing forms for your clinician.

Some documents can be signed electronically by clicking the **checkbox** at the end of the bottom of the page. Then, click **Continue** to move to the next document.
